

State Cotton 1.4 Million Bales Forecast

LITTLE ROCK (AP)—The Arkansas cotton crop is estimated at 1,425,000 bales, based on the Nov. 1 surveys by the Crop Reporting Service of the Agriculture Department.

This is 50,000 bales less than indicated on Oct. 1, the service said today. Last year's crop was 1,456,000 bales and cotton averaged 1,339,000 bales during the 1951-60 period.

The indicated yield per acre, 507 pounds, is five pounds below the 512 pounds in 1961 but is 75 pounds above the 432 pounds which the crop averaged in the 1951-60 period.

The 1962 cotton crop got off to a good, early start and made fine progress until three weeks of very dry, hot weather in August. Frequent showers the past two months have caused boll rot, other weather damage and harvest losses, the service said.

A much larger portion of the crop is being harvested by machine than in other years, and picking has progressed rather well despite the wet weather.

A total of 1,191,462 running bales had been ginned by Nov. 1, representing 83 per cent of the crop. Last year, 1,010,603 bales, 60 per cent of the total, had been ginned by that time.

More Cold Weather Hits State

By THE ASSOCIATED PRESS
A high pressure system pushed a dense cloud cover away from Arkansas Thursday and brought more cold weather to the state Thursday night and today.

Fayetteville was again the coldest spot in the state, recording a low temperature reading of 20 degrees at 7 a.m. Gilbert and Mountain Home reported 25-degree readings.

Skies will remain sunny over the state through the weekend, the Weather Bureau said. Temperatures are expected to remain on the chilly side. A warming trend is expected to begin about the first of next week.

Thursday's high temperature readings were in the low 60s in the extreme south and dropped lower elsewhere. High temperatures today are expected to be about the same.

The Weather Bureau at Little Rock said temperatures during the next five days are expected to average near the normals of mid-50s to mid-60s. Little or no precipitation is anticipated.

Frost was general throughout the state this morning and fog was reported in several cities. Only one city—Fort Smith—reported partly cloudy skies.

Used Another's Credit Card

INDIANAPOLIS (AP)—FBI agents arrested a construction worker at his home here Thursday night and accused him of fraudulently using an Anchorage, Alaska, President's Oil Company credit card to make more than \$1,500 in purchases in an 11-state trip.

Otis Everet Fox, 46, was charged with interstate transportation of a forged security after a federal warrant was issued in Anchorage Oct. 29 for his arrest. The FBI said Fox traveled through from Alaska to Wyoming, Montana, Colorado, New Mexico, Texas, Arkansas, Tennessee, Kentucky and Ohio before coming here.

Election Not to Make JFK Program Easy

By WILLIAM F. ARBOGAST

WASHINGTON (AP)—Democrats responsible for getting President Kennedy's domestic program through the House don't believe last Tuesday's elections made their job any easier.

They hold this view although the House lineup was changed only slightly—from a Democratic majority of 261 to 174 in the last Congress to 259 to 176 in the new one.

A cold analysis of the results doesn't give any indication that the new House will be any more liberal-minded than its predecessor.

While publicly elated over the fact that Democratic losses were far less than normal for an off-year election, party experts privately find little to be overjoyed about.

They point out that while the addition of liberal Democrats from such states as California has swelled the pro-Kennedy ranks, results in other areas have thinned them out again.

In Alabama, for instance, three Democrats normally classified as Kennedy supporters on domestic legislation ran in the last three positions among Democrats in a statewide race in which eight eight Democrats were returned to the House.

That, plus the fact that Sen. Lister Hill of Alabama almost lost to a Republican, is likely to make the entire Alabama delegation be more conservative-minded. And it also may give pause to a handful of other Southerners who backed Kennedy more often than not.

Adding to the Democrats' problems was the defeat of six Democrats in districts which, because of redistricting, pitted incumbent Democrats against incumbent Republicans. Five of the losers normally were supporters of the President's program.

In some districts, liberal Democrats upset incumbent Republicans, while in others some liberal Democrats were unseated by conservative Republicans.

"It may be some time before a complete analysis can be made," a top Democrat said privately. "Offhand it looks like we might have several gains on the liberal side, but it may take a key test vote in the House itself to make certain what happened."

One thing that seems certain he added, is that "it's not going to be a bed of roses for the President's domestic program. It looks like one battle after another."

Little Rock Firemen Save Child

LITTLE ROCK (AP)—A 4-month-old child suffered burns and internal injuries Wednesday before an off-duty fireman snatched her from the flames of a burning automobile.

Fireman B. G. Griggs spotted smoke issuing from the car and rescued Cynthia Renee Kyzer. He revived her by mouth-to-mouth respiration.

The child's mother, Mrs. Nora Kyzer of Little Rock, had left Cynthia and two other children in the parked car while she was in the Pulaski County Welfare Department.

Chief Fire Marshall Melvin White said 4-year-old William Eugene Kyzer Jr., told him he and his 2-year-old sister, Karen Sue, found a match in the car and struck it. White said the match ignited some paper in loose clothing in the car. The interior was destroyed.

William and Karen Sue managed to escape from the car and went for help.

Griggs, who was driving by at the time, suffered first and second degree burns on his right hand when he opened the car door. He has been a fireman for six years and his father of three children.

Cynthia is being treated in a Little Rock hospital.

Parents of the winners, main leaders of the clubs and other guests will be present.

The Hempstead County Home Demonstration Council and Southwestern Power and Light Company are co-sponsors of the banquet.

Rights Suit Filed Against an Officer

LITTLE ROCK (AP)—A Negro girl filed a civil rights suit here Thursday in which she alleged a deputy sheriff slapped and beat her and arrested her without a warrant.

Jellie Beahannon, 21, contended in the federal District Court suit that Jefferson County Deputy Pink Booher arrested her and her brother, Larry, 14, at their home in Wabbeseka Oct. 29.

Miss Beahannon said she and her brother were taken six miles to a jail at Altheimer that was infested with roaches and mites and "had a strong and offensive odor about it." She said the commode assigned to her was "filthy and unsanitary."

Miss Beahannon is seeking \$15,000 for "bodily pain and suffering and mental anguish," 2,000 punitive damages and \$50 for medical expenses. The boy, who is represented in the suit by his father, William Beahannon, asked for \$10,000 for "mental anguish and humiliation."

The suit said Booher came to the Beahannon home to question the boy about some pecans taken from under a tree belong to another Wabbeseka resident.

Miss Beahannon said she advised Booher her parents were not at home, but would return shortly. The suit contends Booher then grabbed the boy by the arm and "pushed him violently" toward Booher's car.

The suit alleges Booher struck Miss Beahannon in the face with his hand then hit her on the head with a black jack after she asked if he had a warrant for her brother's arrest.

According to the suit, Miss Beahannon was taken to the jail in handcuffs and detained about five hours. She was charged with interfering with an officer in the line of duty and released under \$500 bond.

The suit claims the charges, which are pending against both youths, are "without substance." Their attorney is George Howard Jr., of Pine Bluff, president of the Arkansas chapter of the National Association for the Advancement of Colored People.

Booher, 51, of Altheimer, a deputy sheriff for 28 years, could not be reached for comment.

Miss Beahannon is a senior at Arkansas AM&N college, a Negro college in Pine Bluff.

Judge J. Smith Henley is expected to hear the case.

Bldg. May Exceed \$16 Millions

LITTLE ROCK (AP)—A Little Rock architectural firm said Thursday the cost of putting a proposed Revenue Department building on the State Capitol grounds could possibly exceed the \$16 million allotted for the project.

The proposed building was to be placed in the southwest corner of the grounds, an area plagued with spongy clay subsoil.

The firm of Swaim, Allen, Wellborn and Associates said if tests prove what is suspected, the building's foundation may have to be set on piers sunk 40 or more feet below ground level. Subsoil tests are under way.

If the site becomes too costly, the Revenue Building Commission would have two alternatives: Find another site or ask the 1963 legislature for more money.

Ted Donham, Revenue Commissioner, has indicated he doesn't believe another site can be found and said, "it may be that we will have to look for a site off the grounds if this site location fails through."

Nehru Plans to Ignore All Peace Feelers

By HENRY S. BRADSHAW

NEW DELHI, India (AP)—Prime Minister Nehru told Parliament today India will pay no heed to so-called peace feelers from Peiping. Saying they are aimed at humiliating and weakening India's determination, he exhorted the nation to be prepared for a long war.

Red China announced Wednesday it had offered to pull back its troops on the disputed northeastern frontier if the Indians would hand over territory claimed by the Chinese in Ladakh in the north west.

Communist forces opened military offensives on both Himalayan fronts Oct. 20. In Ladakh, they hold all but about 500 square miles of a 15,000-square-mile area they claim.

Red Chinese attacks were reported today at Walong in the northeastern frontier near the Burma border. The Indians claimed they were repulsed. About 300 miles west of Walong, the Red Chinese still control the monastery town of Towang.

Indian forces are beginning to receive big supplies of U.S. and British infantry weapons to counter heavy Red Chinese firepower. A U.S. Army general is expected to come to New Delhi to discuss additional arms shipments.

Land Suit Is Taken to Court

BENTON, Ark. (AP)—Marshall Stanley, who was awarded \$150,000 for 18 acres of land in a condemnation suit, is taking the suit back to court.

A Saline County Circuit Court jury awarded Stanley the \$150,000 in February 1961, but the Arkansas Supreme Court reversed the decision last January and sent the case back to the lower court for a retrial.

Now Stanley, who once said his land was worth as much as \$20 million, has filed for the retrial. A hearing has been set for Nov. 26 in the Circuit Court at Benton.

The land involved is about 10 miles west of Benton. It was condemned for right-of-way for Interstate Highway 30.

Stanley contended the property contained valuable gravel that made perfect septic tanks and well tile. He said the gravel could be found nowhere else in the area and that was why he set such an enormous price on its worth.

In preparing for his case, Stanley advertised in local papers that if he got the millions, he would give part of it to Saline County residents.

He said he was willing to accept the \$150,000 verdict, but the Supreme Court ruled the verdict was not supported by substantial evidence and that the trial judge had erred when he did not allow the state highway commission to make satisfactory estimates.

Texon Killed

BENTON, Ark. (AP)—Dr. Raleigh R. Curtis, 51, a native of Temple, Tex., was killed Thursday when his car failed to negotiate a curve on U.S. Highway 67 five miles west of Benton. Curtis was a member of the staff of the State Hospital's Benton unit.

U.S. Intercepts Five Russian Ships, Sees Missiles on Board

Russia Balks at Removing Red Bombers

By TOM HOGE

UNITED NATIONS, N.Y. (AP)—The Soviet Union is reported balking at removing Soviet bombers and at on-site inspection in Cuba and pressing for Fidel Castro's five-point demands for ending the Caribbean crisis.

U.S. Ambassador Adlai E. Stevenson told newsmen Thursday night these were among the several outstanding issues being argued in his meetings with Kremlin negotiators.

The Cuban delegate Carlos Le Chuga, reportedly told other Latin American delegates that Castro considers his own government owns the bombers, which the Soviet Union sent secretly to him along with missiles, and intends to keep the jets.

On orders of Premier Khrushchev, the missiles are being carted away on ships reportedly over the objections of Castro. But the Soviets have sidestepped saying anything about the bombers.

And the Soviet troubleshooters sent by Khrushchev from Moscow are standing by Castro in his demands, which include the United States giving up its big Guantanamo naval base.

Stevenson conferred for 3½ hours Thursday night with Soviet Deputy Foreign Minister Vasily V. Kuznetsov.

He emerged from the meeting to tell newsmen: "We had another long talk about the unresolved issues. There are several outstanding issues."

Asked whether these issues included the bomber and on-site inspection questions, Stevenson said yes.

As to whether the Soviets were echoing Castro's five-point demands, Stevenson said: "They hammer on all those things."

A Communist source at the United Nations said the Soviet Union has hardened its stand and does not intend to make any further concessions unless it gets firmer guarantees that the United States will not invade Cuba.

Crop Damage Brings Judgment

LITTLE ROCK (AP)—The state Claims Commission recommended Thursday that Edgar Oates of Jesselville be awarded \$250, because state Forestry Commission employees damaged Oates' crops last April en route to a woods fire.

Oates had filed a claim of \$350 in damages. The recommended award will be submitted to the 1963 legislature for payment.

The commission concluded a two-day session in Little Rock Thursday, but will return Nov. 29 to dispose of a number of pending claims.

MOP Has Dropped Two Trains

LITTLE ROCK (AP)—The Missouri Pacific Lines said Thursday it has discontinued two trains on the Tearkana-Little Rock-St. Louis route, one a northbound passenger and mail train and one a southbound train that carried only mail and REA Express packages.

The trains made their last runs Monday.

MoPac described the discontinuance as a consolidation. It said passengers and mail formerly carried on the trains would be shifted to other trains that run a few hours later.

The Post Office Department said use of the later trains would slow up mail service, however, and postal officials said they were arranging for new truck routes to replace the trains.

The discontinued northbound train is No. 6, which left Tearkana at 7:45 p.m., arrived at Little Rock at 10:55 p.m. and left Little Rock at 11:50 p.m., arriving at St. Louis at 7:50 a.m.

The southbound train which was discontinued was No. 5, which left St. Louis at 10:20 p.m., arrived in Little Rock at 6:45 a.m. and reached Tearkana at 11:25 a.m.

"It was just a case of having two trains running where we only have enough business for one," said M. R. Kastman, assistant general passenger agent for MoPac at Little Rock. "No. 6 wouldn't have been running at all if it hadn't been for the mail."

Farm Bureau to Name Officers

The Hempstead County Farm Bureau will hold its regular monthly meeting Tuesday night, Nov. 13th, at 7:30 p. m. at the Farm Bureau Office (806 West 4th Street). Officers for 1963 will be elected by the new Board of Directors.

The new board of directors have elected and are as follows: Bodcaw, Bryan Camp, Garland, David Meloy, Bois D'Arc, Mrs. Mary Spates, Mine Creek, Stoman Goodlett, Noiland, Jewell Burke, Ozan, Donald Worthey and Thurston Hulsey; Redland, Gordon Prescott; Saline, B. C. Webb; Springhill, Warren Butler and Garland Kidd; Wallaceburg, Weldon Fulton; Water Creek, Dai Ravencraft; DeRoan, William Schooley, Audrey Wilson, Burgess Garrett, and Clifford Russell.

Plans for the State Convention will be made. President, Warren Butler, said the following people are making plans to attend: Mr. and Mrs. Gordon Prescott, Mr. and Mrs. Audrey Wilson, Mr. and Mrs. Roger Pitts, Mrs. Mary Spates, Mr. and Mrs. Cleo Smith, Mrs. Lester Kent, Mr. R. D. Huffman, B. C. Webb, Wade Benefield, Calvin Caldwell, and Warren Butler.

Minor Damage in Collision

Yesterday at S. Hazel and East Division an auto driven by Mrs. Steve Carrigan and a Highway Department truck driven by Jesse Griffin, collided with only minor damage resulting.

Chief of Police Jack Brown and Officer Sinyard said Mrs. Carrigan didn't see the truck and pulled out into its path.

Soviet Crew Uncovers Equipment

WASHINGTON (AP)—U.S. Navy warships have intercepted five Russian vessels outbound from Cuba. Missiles and missile equipment have been seen on the decks of at least three of them, the Defense Department announced today.

Assistant Secretary of Defense Arthur Sylvester said four of the ships were intercepted this morning. The fifth was contacted Thursday. No missile components were reported aboard it.

Sylvester said the U.S. Navy craft pulled close alongside the Russian ships Dvignorsk, Volgole, and Lavinsk, and that the Russian crewmen pulled back heavy canvas covering what appeared to be missiles in skin tight casings designed to protect them from the sea and weather.

Photographs were taken and are being returned here for analysis by experts who first detected the missiles and their base in Cuba from examination of reconnaissance photographs taken by U.S. aircraft.

"The responsible people of this government are satisfied that what is being reported are the missiles," Sylvester said, "but the final determination will await analysis of the photographs which are being returned."

From other government officials, it was learned the United States has received indications that several thousand Soviet technicians in Cuba, presumed to be missile experts, are preparing to leave the island.

In proclaiming at a Moscow news conference Wednesday that the Red missiles "probably are on their way" home, Soviet Premier Khrushchev mentioned a figure of 40. That's the minimum amount the Navy will be looking for, the Pentagon said.

The Navy's mission is to confirm what the Defense Department says aerial reconnaissance photographs indicate—"That medium-range ballistic missile and intermediate-range ballistic missile equipment is being removed from Cuba."

The Pentagon announcement also said the photographs indicated "all known MRBM and IRBM missile bases in Cuba have been dismantled."

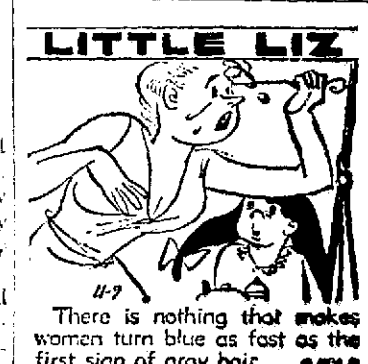

Three Soviet ships—presumably carrying missiles—were sighted outbound from Cuba Thursday. They probably will be the first contacted by U.S. warships.

Although Washington fully expects Khrushchev to live up to his missiles withdrawal commitment, the Pentagon announcement carefully avoided a flat declaration that all Soviet missiles were on their way out of Cuba.

Thus, the question remains: Did the Soviets bring into Cuba more missiles than were detected by U.S. surveillance?

Thursday night, Assistant Secretary of State Edwin M. Martin acknowledged in a radio interview (Mutual-Capitol Assignment) that inspection of departing ships at sea "would not necessarily tell us what was left behind."

At the United Nations, informed sources reported that the Soviet Union has told the United States all Soviet missiles will be out of Cuba by Monday and there will be no need for U.S. naval inspection of outbound Soviet ships after that date. The inclination in Washington was to view this as information, rather than an attempt to set a deadline for when at-sea inspection should cease.

Newspaper Must Have Conscience

WATERVILLE, Maine (AP) — Pulitzer Prize-winner Thomas M. Storke says a newspaper "must have a conscience and speak from that conscience in a strong and reasoned voice."

"In short," he adds, "it must earn and re-earn its right to protection under the First Amendment to the Constitution (guaranteeing freedom of the press)." Storke, who will be 85 in about two weeks, was honored in absentia Thursday night by Colby College with its 11th annual Lovejoy Fellow Award. An editor 62 years, he is also publisher of the Santa Barbara, Calif., News-Press.

The fellowship commemorates a Colby graduate's martyrdom to freedom of the press.

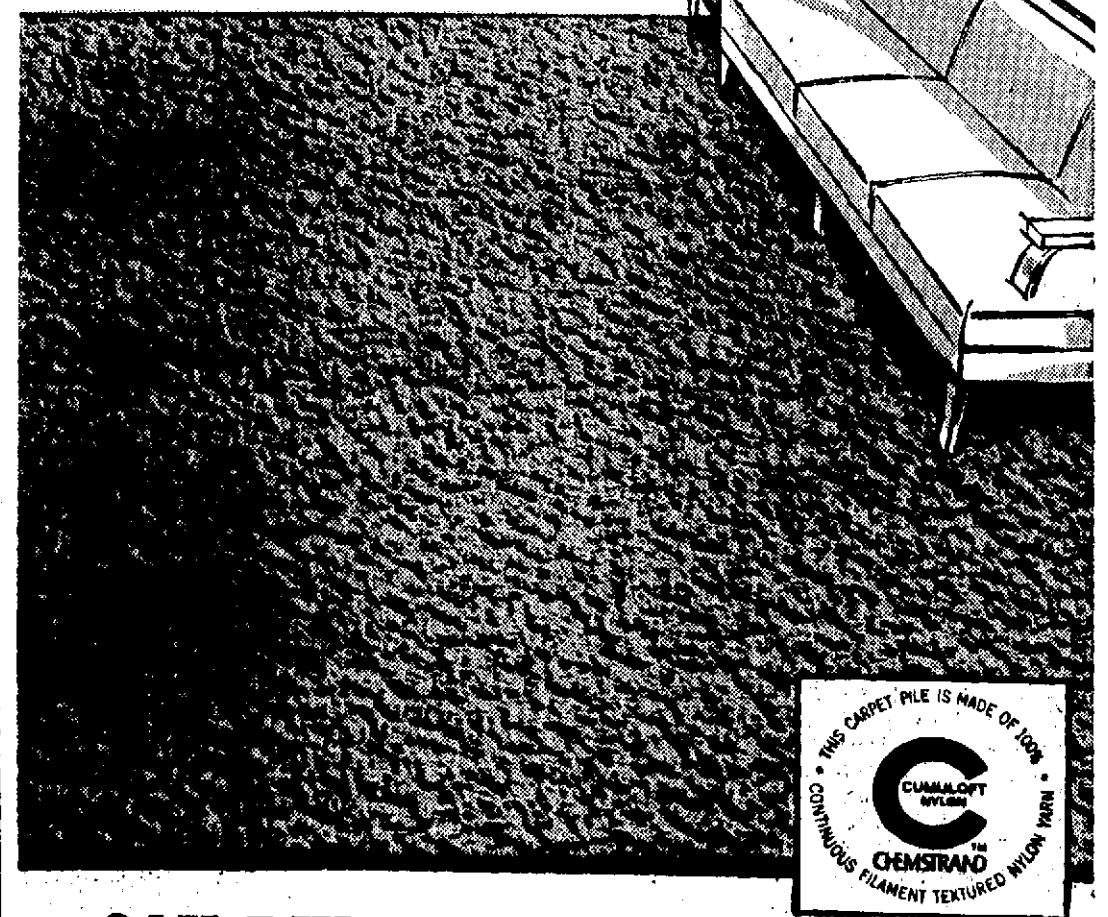

"Elijah Lovejoy lighted the way 125 years ago when he chose personal danger and death to surrender of his principles," Storke said in an address read at Colby by his executive editor, Paul Veblen. Storke's doctor wouldn't let him make the long cross-country trip in November weather.

Lovejoy was slain in 1837 defending his newspaper press from an Alton, Ill., mob angered by his anti-slavery editorials.

Almost Angels to Play Here Fri. and Sat.

In 1498, six years after Columbus discovered America, the Vienna Boys Choir was founded by decree of Emperor Maximilian I of Austria.

Four hundred-and-sixty-three years later Walt Disney sent his director, Steve Previn, and a full production crew to Vienna to film his feature Technicolor motion picture, "ALMOST ANGELS," starring the fabulous choir.

For the first time in its long and glorious history, the Vienna Boys Choir can be seen and heard by motion picture audiences throughout the world. Perfectionist Disney has captured all of the beauty of their singing voices, as well as an abundance of the boyish enthusiasm of the Boys Choir.

In its centuries-long existence, the Boys Choir has become the most exclusive and best choral group of its kind in the world. Membership is on a strictly competitive basis.

The institution has been a boarding school since its early days. No boy pays fees of any kind. He is cared for entirely by the school, receiving his musical as well as his secular education and training.

The actual singing life of a Vienna Choir Boy is usually

about four years, or from ages ten to fourteen. When his voice breaks, he can concentrate on whatever trade or profession he wishes to follow, with his training under the sponsorship of the Vienna Boys Choir.

"Almost Angels" can be seen at the Saenger Theatre in Hope Friday and Saturday along with Walt Disney's "Lady and The Tramp."

Review Improvements

LITTLE ROCK (P) — Bob Evans, director of the state Publicity and Parks Commission, said Wednesday an on-the-site review of proposed improvements at Devil's Den State Park will be made Friday. Evans said some \$100,000 worth of improvements are tentatively scheduled for the park. A meeting of the commission will follow the inspection, he said.

Penalties Keep Bobcats From a Victory

By VINCE FOSTER

The Hope Bobcats were "taken" 7-0 last night at Haynesville, La. A blocked punt plus seven 15 yard penalties, two of which called back two Bobcat touchdowns, proved to be the crushing blow to the Cats.

The southern hospitality was under par as there was much ill will between home folk and the Louisiana representatives. This is the third 7-0 loss the Cats have suffered, but they still hold a 6-3-1 record, facing weaker Arkadelphia at home next Friday.

The Golden Tornadoes held the Bobcats after the kickoff, and Porterfield's attempted punt was blocked, with Bill Collin carrying the loose ball in from the Hope 10 for the only counted touchdown of the game. Versatile Frank Bush added the PAT to give Haynesville their winning 7-0 lead.

Three 15 yard penalties before the half stopped the Cats at every threat. After the kickoff at the half, Jerry Burnett intercepted for the locals at the Haynesville 26. Despite another 15 yard penalty, Porterfield twisted and fought on runs of 9, 10, and 20 yards with help on a fumble recovery by Jimmy Walker to carry the ball to the Tornado 5. Porterfield then carried for 2 yards, but was held for no gain on the following two carries. QB Mack McLarty obliged by passing complete to James Marcum in the end zone, but another penalty ruled this TD out. Haynesville took over at the Hope 8.

Jerry Burnett fielded the following Haynesville punt on his own 40 and scampered 60 yards to paydirt. Hope did not cash in again because the officials saw fit to call another penalty, and the downed Bobcats could not keep up the losing struggle against such odds. And although the locals were penalized 15 yards twice again before the final buzzer, they fought enough spirit in the midst of the disgust to fight off a final Haynesville threat by stopping them with a great team effort at the Hope 15, a significant number in the game.

David Porterfield carried almost all of the offensive load as he picked up 39 yards rushing. Roy Wray took 33, McDowell 8, and Burnett 1. The Bobcats will have their chance for some deserved revenge to be taken out on Arkadelphia Friday and then unbeaten Nashville on Turkey Day.

Warneke Winner in Vote Recount

NOT SPRINGS, Ark. (AP) — A recount Thursday increased by 20 votes the margin by which Lon Warneke defeated Garland County Judge Henry Murphy in their general election contest Tuesday.

Murphy, the Democratic incumbent, picked up 123 votes. Warneke, who ran as an independent, gained 143, however, giving him a final total of 5,653. Murphy's total vote was 5,496. The first vote tally gave Warneke 5,560 to 5,374 for Murphy.

Warneke is a former National League baseball player and im-
pire. He was supported in his elec-
tion bid by the Garland County
Young Republicans Club.

Joe McTee, county Democratic
campaign chairman, requested the
recount in a letter to the county
Election Commission. Four
teams of counters spent five hours
recounting the ballots from 53 pre-
cincts.

In the last five years 118 new
hotels have been built in Turkey

First Arkansas Deer Season Opens Monday

LITTLE ROCK (AP)—The first
of Arkansas' three deer seasons
opens Monday with Game and
Fish Commission officials fore-
casting "the best hunting we ever
had."

"We've got lots of deer in al-
most all areas," said Aubrey
Fowler, chief enforcement officer
for the Arkansas Game and Fish
Commission. "And we have two
days more shooting and more
counties open for killing of doe.
All these factors should result in
a record kill."

Arkansas hunters will have 17
days to go after deer this year
in three open periods. The first
starts Monday and runs through
Nov. 17. The last two are Dec.
10-15 and 27-31.

Killing of doe will be permitted
in seven counties and portions of
two others during the first period.
These are Arkansas, Ashley, Chi-
cot, Desha, Drew, Lincoln, Union,
Monroe south of Highway 79 and
Phillips south of Highway 20.

Twenty-five counties, mostly in
north central and northwest Ar-
kansas, will get their chance at
doe in the second period. Doe will
be legal in 27 counties during the
third period.

More than 20,000 deer were slain
last year.

The limit remains one deer dur-
ing any gun period and two for
the year.

Hunters are required to tag
their deer and take them to a
Game and Fish Commission check-
station. Such stations will be set
up in each county.

Fowler said the commission
would not be bound by a popular
vote against killing doe in Izard
County.

Election in that county voted
956 to 398 in Tuesday's general
election against killing doe.

"The constitution gives the
Game and Fish Commission au-
thority to set hunting and fishing
regulations," Fowler said. "We

won't prosecute anyone who kills
a doe in Izard County."

In like manner, Fowler said, the
commission would not permit kill-
ing doe in a county just because
residents voted in favor of it.

"Now if people in Izard Coun-
ty volunteer not to kill doe, that's
their business," Fowler said.
"But, as far as we're concerned,
the county is open for doe during
both December hunts."

Izard County hunters circulated
petitions to get the doe slaying
proposal on the ballot. They ob-
jected to the commission regula-
tion, announced earlier this year.
The commission said it decided
to permit killing doe because of
deer overpopulation.

Some Critical Games in Play Saturday

By THE ASSOCIATED PRESS

It hints at overconfidence when
a team with a 4-2 record and such
powers as Louisiana State and
Texas to play starts talking about

was trying to combat when he
spoke sharply about all the bowl
talk on the TCU campus.

"You can't stop them from talk-
ing," Martin said, "but they'd bet-
ter keep their powder dry. They're
not going to win any games day-
dreaming. We have four games.
We have to win all before we go
anywhere—before we get invited
anywhere."

The Horned Frogs were remind-
ed of the perils of thinking about
a game too far ahead as they
wound up practice for the day in
preparation for the clash with
Louisiana State Saturday night at
Baton Rouge.

There was no bowl talk else-
where in the conference while the
teams prepped for crucial games.
Texas, which faces Baylor at
Waco, was working hard trying to
build a pass defense the Bears
couldn't puncture.

Baylor was trying to see that
the Longhorns couldn't accomplish
it. Practice was devoted largely
to passing, with Don Trull, the
conference's leading passer, hit-
ting his receivers with alarming
—for Texas—regularity.

Southern Methodist had two
new starters with Lewis Albright
advanced to left half and John
Rickey to right half. Injured backs
Billy Gannon and John Ed Clarke
are expected to play when the
Methodists play Texas A & M at
Dallas Saturday.

Texas A&M, on the other hand,
had injuries pile up on it. End

Homecoming Saturday at Fayetteville

FAYETTEVILLE, Ark. (AP) —
Quarterback Billy Moore, the
Southwest Conference's leading
scorer and runner, takes his frisky
Arkansas Razorbacks against dan-
gerous Rice Saturday afternoon in
Arkansas' homecoming football
game.

The Razorbacks have a 3-1
league record, with only a 7-3 loss
to Texas standing between them
and the conference leadership.
Rice is 1-1-1 in league play with
its big effort of the year a 14-14
tie with Texas.

Arkansas is favored by about
two touchdowns. A sellout crowd

Roy Caffey were not expected to
be able to play against SMU.
Three players previously had been
lost for the season—fullback Jer-
ry Rogers, tackle James Craig
and guard Joe Hoyak.

Rice worried because it had
four players on the injury list, al-
though three of them probably
will be able to go against Arkan-
sas at Fayetteville Saturday. Full-
back Russ Wayt, reserve fullback
Jim Martins, tailback Ronnie
Graham and Ronnie Dreyer were
the injured. Dreyer was a doubt-
ful participant.

Arkansas was fearful of the
Rice passing attack, however.
Coach Frank Broyles had his Ra-
zorbacks working hard against the
Rice style of throwing. Arkansas
had all its players back in the
fold except Tommy Brasher. Four
had been out with minor illnesses

of 33,000plus is expected for the
2 p.m. kickoff.

Moore has scored 10 touchdowns
for 60 points to lead the league
in scoring. He also leads in rush-
ing with 414 yards. Second in
scoring is Arkansas sophomore
place-kicker Tommy McNelly,
who has 33 points on 27 extra
point, kicks and two field goals.

Rice has good quarterbacks in
scorer and runner, takes his frisky
Arkansas Razorbacks against dan-
gerous Rice Saturday afternoon in
Arkansas' homecoming football
game.

A dry field could indicate an
all-out passing game, with Ker-
bow and McReynolds throwing for
Rice and Moore pitching for Ar-
kansas.

Arkansas has power running in
fullback Danny Brabham and half-
back Jesse Branch, who ranged
1-2 behind Moore in Southwest
Conference rushing.

Fullbacks Paul Piper and Rus-
sell Wayt are expected to take
the rushing load for the Owls.

Both teams will field an out-
standing end — sophomore sen-
sation Jerry Lamb of Arkansas and
veteran Gene Raesz of Rice.
Lamb has nabbed 18 aerials for
249 yards and Raesz has caught
19 for 240 yards.

Arkansas worked for an hour in
sweat clothes Thursday, polishing
on defense to stop the passing of
Kerbow and McReynolds. The
team was to go to Eureka Springs
today, where it will stay until
shortly before game time Satur-
day.
